

## **COLEBROOKE PARISH CV BULLETIN No 14 dated 29th July**

From 25<sup>th</sup> July, some sports facilities and venues are opening. See below about Crediton.

From 1<sup>st</sup> October if prevalence remains low, audiences will be allowed back in stadiums with social distancing in place.

From 1<sup>st</sup> November, social distancing measures will be scaled back contingent on a number of factors including winter pressures.

### **Colebrooke Parish Church of St Andrews**

At Andrew's Church will be holding a Communion Service on 2nd August at 9.30am led by Prebend Anthony Geering. Everyone is welcome to come to the service. All social distancing measures etc will be in place.

### **Music in Coleford**

We have been privileged to be entertained for the last 2 months or so every Saturday at 1130 by Colebrooke Parish's fantastically talented musicians at Coleford Cross. Sadly, all good things must eventually move on and some of our young folk are returning to their colleges and universities from mid August. The last of these performances will be on Saturday 15<sup>th</sup> August at 1130 and to make this something of a celebration, it will be held in the Coleford playground. Bring a picnic!

### **Coffee Mornings in the Colebrooke Parish Hall**

We held the first Colebrooke Coffee Morning since Lockdown on Thursday 9<sup>th</sup> July. About 20 people attended and we were able to ensure everyone felt safe. Although the lockdown is being slowly eased, the Hall Management Committee consider that there are people in our community who will appreciate a regular

coffee morning, so there will be others held on Thursday the 30<sup>th</sup> July and Thursday 13<sup>th</sup> August.

The Government guidance has changed slightly but significantly in that the restriction to 30 people is now specifically for private homes and gardens. Providing that, in the Parish Hall, we provide a safe space and people abide by distancing guidelines, attendance can be larger within the limits of the space available. We will thus monitor the numbers attending to remain safe: clearly if the weather is reasonable, then safe distancing at the Coffee Morning is straightforward.

The following precautions will be followed:

- Steve will keep a list of all those attending for 21 days.
- Inside, groups can meet consisting up to two households; outside, up to two households or a maximum of any 6 people in any group.
- There will be a one-way system for entry and exit - in through the front door; exit through the side door.
- There will be hand sanitiser at the entrance and at the entrance to the toilets. But please bring your own sanitiser to help with Hall logistics.
- Social distancing of generally 2 metres but not less than 1 metre will be exercised inside the Hall and in the garden. Tables and seating will be placed accordingly.
- Coffee will be served at the stable door and main entrance to the kitchen. Only Fred and Wendy will be allowed in the kitchen.
- Cash (£2.00/head) must be placed in a container. No change must be taken.
- Cake will be provided plated.
- On leaving, place your used cups and plates on a separate table provided.

Please encourage people to come.

### **Yoga in the Hall**

Yoga classes will begin again in the Hall under the guidance of Jojo Hogan. Jojo has recently returned from New Zealand and used to run classes here 18 years ago. There will be a free taster session on Saturday 22<sup>nd</sup> August at 1000 am and then there will be regular weekly sessions held from Thursday 3<sup>rd</sup> September at 1800 cost £8/session. Social distancing and Covid safety measures will be in place so there will be a limit on the number of places available. Bring your own mat and blanket. Booking for taster and sessions is essential by email [jojohogan888@gmail.com](mailto:jojohogan888@gmail.com) or text 07514 774832. More adverts to follow.

### **Cox's Deliveries**

From this week, the Friday deliveries by Cox's butchers to the Colebrooke Parish Hall hub will be at 0930. Cox's plan to continue this service so long as it remains economic for them.

### **Crediton Leisure Centre**

Mid Devon Leisure will start to reopen their facilities from the 3<sup>rd</sup> August with a phased approach. The Call Centre is now open and is dealing with enquiries and bookings. From 3<sup>rd</sup> August, the fitness studio will open for booked sessions along with indoor and outdoor classes. Progress thereafter is subject to change, with the swimming pool opening for clubs and lessons in Phase 4 with lane swimming, aqua-aerobics and schools in Phase 5. Check the website for more details.
