

Annual Parish Meeting of Colebrooke Parish Council held on Tuesday 17<sup>th</sup> March 2020 at 7pm, in the Village Hall, Colebrooke.

Present: Cllr. Smith (Chairman), Cllr. Hodder, Cllr. Clarke, Cllr. Emmerson, Cllr. Niklaus, Cllr. Charlton-Anne, Cllr. Graham, District Cllr. White, Penny Clapham (Clerk), 6 members of the public.

Cllr. Smith welcomed everyone to the annual parish meeting.

The main topic of concern expressed by the public was the coronavirus and actions that could be taken by the community to support each other. The Council are assisting with any plans put forward and this was further discussed at the council meeting held later that evening. Offers of help have been expressed by both Community Transport and Age UK locally.

Council was asked about climate action and declaring a climate emergency – this has already been debated at a council meeting. However, once the current emergency is over, a dedicated community meeting will be arranged to talk about the environment, climate and to have some speakers on various subjects associated with climate change.

The meeting closed at 7.30pm.
